ALUMINIUM SECURITY DOOR

@illusionflyscreens

SP80 Security Door

Our SP80 Security Door is a bespoke and affordable security screen solution.

The frame has been designed and tested to make it a more affordable option whilst not compromising performance, ensuring security is available to all Australians. It provides high security for your home without breaking the bank. With its durable construction and long-term warranty, it's an excellent choice for those looking to enhance their home's safety and aesthetics.

Key Features

- 316 Stainless Steel Security Mesh: Provides robust protection and corrosion resistance.
- Austral Deadlocking Single Point Lock: Ensures reliable security for your home.
- 10 Year Warranty: Peace of mind with long-term protection.
- Cost-Effective: High security at a competitive price.
- Knife Shear Test: This test assesses the strength by subjecting the mesh to multiple incisions with a knife

Care and Maintenance

- Regular Cleaning: Wipe the mesh and frame with our microfibre cleaning glove and use our illusion solution & illusion protection sprays.
- Inspect Lock Mechanism: Periodically check the lock for any signs of wear and lubricate if necessary.
- Check for Damage: Regularly inspect the door and mesh for any signs of damage or tampering to ensure optimal security.
